Also Featuring Junkyard Race:

Dads can sign-up to enter a JUNKYARD RACE! Each participant will be provided with a kit from which to assemble a car within an allotted time at the race. Each kit will have basic parts including a block, wheels/axles, weights, and other items. Kits will vary and be selected randomly. Separate rules will be provided with each kit.

The Junkyard race will run between Tribal Races. Dads should bring any hand tools (no electrical saws are allowed per Mall Management) required to assemble their car. Sons are encouraged to help and provide technical assistance.
